

## ADDITIONAL INFO

### Conference Assignors

Assignors from a number of high school and college conferences will be in attendance to both assist and evaluate you. If you are interested in being considered for assignments in these conferences, this is the perfect way to "show your stuff!" These assignors are also here to help, and they are eager to help you learn or refine your 3-umpire mechanics, according to your experience and goals. Take advantage of their knowledge and experience!

- **Art Hill**, Horizon League, Great Lakes Valley Conference, Midwest Conference, Rebel Games, National Pro Fastpitch
- **Don Baumgart**, Midwest Conference
- **Brian Henson**, Northern Athletics Conference, Midwest College Umpire Network, College Conference of Wisconsin & Illinois, Greater Metro Conference
- **And more to come!**

### CAMP HIGHLIGHTS

- Work live NCAA fastpitch softball games using 3-umpire mechanics

# CAMP INFORMATION

This is our seventh year hosting the Softball Umpire Development Camp at the University of Wisconsin-Parkside. We've listened to past attendees' feedback, and this year our focus will be two-fold. The first will be on the **10 biggest mistakes umpires make and how to prevent them**. Our second focus will be on the fundamentals of both the 2- and 3-umpire system. This is more than just a primer program, so whether you have advanced umpire experience or no experience you will benefit from instruction at this fastpitch softball camp. We will have live games for you to practice what you learn, and clinicians with years of 2- and 3-umpire experience to help you reach your goals – whether they be to work your state high school tournament series or all levels of NCAA games.

Do you have additional questions about the camp? Contact:

## 2-day format\*

**\$95**

You will work in live NCAA games using 3-umpire mechanics (including a plate) and benefit from classroom instruction on rules, mechanics and drills.

WIAA registered umpires are eligible for a Classification Level upgrade for the 09-10 season.

## 1-day format\*

**\$49**

You will work live NCAA games utilizing 3-umpire mechanics (including a plate) and benefit from the classroom instruction on rules, mechanics and drills.

WIAA registered umpires are eligible for a Classification Level upgrade for the 09-10 season.

\* Priority will be given to those who sign up for both days; one-day spots will be filled on a first-come-first-serve basis, keeping in mind the necessity for balance between the two days with games. If you chose the 1-day format, you MUST indicate which day you want to attend, and we will refund your money if space is not available on that day.

Do you have aspirations to:

- Work your state's high school State Tournament Series?
- Work higher levels of NCAA Softball?
- Work a NCAA Conference Tournament?
- Work a NCAA Regional?

Then you must understand and have experience in the 3-umpire system. The better your understanding and the more experience you have working this system, the more comfortable you'll be, the better you'll look and the more consideration you'll get for further advancement!
